SERVICES

Rewriting prescriptions 100e

Ultrasound scans 100e
(if you have never had an ultrasound with us, your first scan needs to be done by a Gynecologist and its priced at 150e. The purpose of this is to out rule gynecological pathology)

-please note that prescriptions are issued only to patients that will be monitored by us with ultrasounds. We will not write prescriptions to patients that attend a different clinic in Ireland for ultrasound monitoring.
