

Satellite Services & Prices

If you are attending a clinic abroad we can help you. Please note our policy outlined below,

We need to see you for your **1st Consultation (includes a scan) €200**

After that there are some options available to you per cycle

1. IVF stimulation cycle to include all prescriptions and scans €600
2. Egg donation or Frozen transfer (FET) to include all prescriptions and scans €400
3. Scan only without prescriptions €100 per scan

Blood Tests

These are only available to patients for the options above

We do not provide a phlebotomy service for patients outside of these options

1. EU Profile (HIV, Hep B & C + Syphilis) €120
2. AMH €100
3. Female Hormone Profile (Lh, Fsh, Prolactin, Oestrogen & Progesterone) €80
4. Progesterone €50
5. Oestrogen €50
6. TFT (FT4 & Tsh) €50
7. Blood Group €50

Please note that we only do bloods from this list.

There are also some other services we do not provide such as, Intralipids & Natural Killer Panel

Other Services Available

Endometrial Scratch €200

Aqua Scan (scan with contrast) €200

Please call us for specific guidelines prior to booking the above two services. We also suggest that you check with your own clinic regarding their guidelines.
